

## TIME - TABLE

DAY	TIME	CONFERENCE ROOM ARISTOTELIS I			
<b>MONDAY</b> 3 November 2008	08.00	<b>REGISTRATION</b>			
	09.00 – 10.00	<b>Plenary Opening Session</b>			
	10.00 – 11.10	<b>Plenary Panel Session:</b> “Electric Power System Operation in Cyprus and Greece”			
	11.10 – 11.20	<b>Coffee Break</b>			
	11.20 – 13.20	<b>Plenary Panel Session:</b> “Electricity Business in South Eastern Europe”			
	13.20 – 14.20	<b>Lunch Break</b>			
	14.20 – 15.40	<b>Plenary Panel Session:</b> “Independent Power Producers and Trading in the Greek Electricity Market”			
	15.40 – 15.50	<b>Coffee Break</b>			
	15.50 – 18.00	<b>Plenary Panel Session:</b> “Renewable Energy Generation in the Greek Electricity Market”			
	<b>TIME</b>	<b>CONFERENCE ROOM ALEXANDROS II</b>			
	14.20 – 18.00	<b>Greek Section of IEEE Power Chapter: 10<sup>th</sup> Workshop on Power Engineering Dissertations</b>			
DAY	TIME	CONFERENCE ROOMS			
		ARISTOTELIS I	ALEXANDROS II	AMFITRION I	AMFITRION II
<b>TUESDAY</b> 4 November 2008	09.00 – 09.40	<b>Key Note Speech</b> by J. Milanovic, “Quality of Electricity Supply in the Market Drives Environment – Future Challenges” *			
	09.45 – 11.30	<b>Session T1</b> Market Models and Applications	<b>Session T2</b> Power Quality	<b>Session T3</b> Operational Planning - I	<b>Session T4</b> Applications of Wind Generation - I
	11.30 – 12.00	<b>Coffee Break</b>			
	12.00 – 14.00	<b>Session T5</b> Applications of Wind Generation - II	<b>Session T6</b> System Security Assessment	<b>Session T7</b> Transformers – Drives	<b>Session T8</b> Applications of Photovoltaic Systems
	14.00 – 15.00	<b>Lunch Break</b>			
	15.00 – 15.40	<b>Key Note Speech</b> by J. Scott, “Electricity Networks: Outstanding Opportunities and Reluctant Revolutionaries” *			
	15.45 – 17.45	<b>Session T9</b> Market Issues	<b>Session T10</b> Distribution Systems <b>Introductory Guest Speech</b> by S.J. Camarata, “New Approach Using Geographical Information Systems to Electric Utilities”	<b>Session T11</b> Transmission Systems and Substations	<b>Session T12</b> Distributed Generation
	21.00	<b>Official Dinner</b>			

DAY	TIME	CONFERENCE ROOMS			
		ARISTOTELIS I	ALEXANDROS II	AMFITRION I	AMFITRION II
<b>WEDNESDAY</b> 5 November 2008	09.00 – 09.40	<b>Key Note Speech</b> by V. Efthimiou, “Strategically Deploying a Smart Grid” *			
	09.45 – 11.30	<b>Session W1</b> Energy Efficiency  <b>Introductory Guest Speech</b> by D. Spiliopoulos, “Tackling Energy Challenges Through Energy Efficiency Solutions”	<b>Session W2</b> Intelligent Distribution Networks	<b>Session W3</b> Applications of Wind Generation - III	<b>Session W4</b> General Aspects of Renewable Energy Sources
	11.30 – 12.00	<b>Coffee Break</b>			
	12.00 – 13.45	<b>Session W5</b> Microgrids	<b>Session W6</b> Reliability Assessment of Power Systems	<b>Session W7</b> Transient Analysis and Facts	<b>Session W8</b> Earthing
	13.45 – 14.45	<b>Lunch Break</b>			
	14.45 – 16.00	<b>Plenary Panel Session:</b> “Postgraduate Studies and Continuing Education Opportunities for Power Engineers in South Eastern Europe” *			
	16.00 – 17.30	<b>Session W9</b> Power System Planning	<b>Session W10</b> Operational Planning - II	<b>Session W11</b> Applications of Photovoltaic and Hybrid Systems	<b>Session W12</b> Demand Side Management and Power System Automation
	17.30 – 17.45	<b>Closing Session</b>			

\* All Key Note Speeches and Plenary Panel Sessions will be held in Conference Room ARISTOTELIS I

DAY	TIME	CONFERENCE ROOM ALEXANDROS I
<b>MONDAY</b> 3 November 2008 - <b>WEDNESDAY</b> 5 November 2008	09.00 – 17.30	<b>EXHIBITION AREA</b>
